

Conservation

Mission:

This activity provides for the support to the Colonial Soil and Water Conservation District (Colonial SWCD). The Colonial SWCD is a political subdivision of the Virginia Department of Conservation and Recreation/Division of Soil and Water Conservation (DCR/DSWC). The District's responsibility is to assist and administer conservation policies and practices to protect and enhance our natural resources within our District, as mandated by the Commonwealth of Virginia.

Goals:

- To support each locality with their Chesapeake Bay Preservation Act local ordinances.
- Provides technical expertise to farmers and landowners in developing required Soil and Water Quality Conservation Plans.

Implementation Strategies for FY2002:

- The implementation of the new State Agricultural Tax Credit Program, which allows farmers to qualify for a 25% tax credit for the cost of implementing conservation practices. This program will provide funding for practices ranging from soil testing to major engineering practices.
- The Colonial SWCD has been a leader in initiating the Tributary Strategy process in both James and York Watersheds.
- The Colonial SWCD also delivers an extensive educational outreach program, ranging from technical education for the agricultural community to local grade school children's programs. It supports local citizen groups promoting resource conservation initiatives, such as, the Alliance for the Chesapeake Bay/Chickahominy Watershed Project, Boy Scouts and the Powhatan Creek Watershed Project.

Budget Issues:

- For FY2002, there are no significant changes. The annual support to the Colonial SWCD has increased by 10% from \$7,350 to \$8,085.

General Fund Expenditures	FY1998 Actual Expenditures	FY1999 Actual Expenditures	FY2000 Actual Expenditures	FY2001 Original Budget	FY2001 Expected Appropriations	FY2002 Adopted Budget
